**Musings of our Supreme Grand Master**

Fratres, as I put this edition of Dispatches together, it is with some degree of sadness as another Preceptory has had to close its doors for the last time and two others are amalgamating effective January 1st, 2012. Westminster Preceptory No. 56, which turned 100 years old in August 2011, has decided to close on Nov. 30, 2011. The good news about this closure is that most of the members have transferred to other Preceptories in the area.

Jordan and Columbia Preceptories have decided that for the betterment of our order in the Vancouver area that a single Preceptory would better serve the Fratres. They will stronger and be able to perform the various orders to a much higher calibre and thus attract more new members. We wish them well in this endeavour and look forward to the official amalgamation ceremony in late April, 2012.

I am pleased to report that IvaMae and I have travelled across the Western provinces and visited all of the Preceptories in those provinces. I was pleased to have R.Em.Kt. David Walker, K.C.T., our Grand Chancellor, and his wife Susan travel to many of those visits with us. Thank you for making our visits so great.

The Christmas season is now past and the New Year brings great expectations and challenges to our Fraternity. Let's do all we can to make 2012 an especially memorable year for the Masonic Order in general and the Knights Templar in particular. Practice our ritual so that the opening and closing is done in long form and without the use of the ritual book. It will make the Preceptory look good and make the officers proud of the work that is done.

To attract new members, I would draw your attention to the "3 by 3" program that is in the toolbox and encourage you to use it. If you do not have a copy, please contact the Grand Chancellor.

The swords that we ordered on your behalf have been well received by the Sir Knights and Preceptories. The original order of 150 was quickly sold and another 200 were ordered and they have now all been sold. We have ordered more and they should be in sometime in January. Thank you for the way you have responded to this initiative.

By the time you see this issue of Dispatches, you will have received our revised Statutes 2011 in the new format. I encourage all Preceptors, Registrars and senior officers of all Preceptories to read them carefully. The Grand Chancellor has a good inventory and the price has not changed.

In the Fall 2011 edition of Dispatches, on page 2, at the request of the "Joint Committee on Future Places of Meeting" their suggestion of holding Biennial Assemblies for Sovereign Great Priory was presented for discussion and feedback from the membership. To date, only one response has been received in the Chancery.

Fratres, this is an important question and calls upon all to give it careful and thoughtful consideration. As the costs involved in holding a Grand Assembly and for those attending continue to increase and as our numbers continue to decline, we will eventually be forced to make change. Is the time now? Annually or Biennially? Please provide your input on this matter. We need to know what you think.

## SUPREME GRAND MASTER'S AWARD

Most Eminent Knight F. Douglas Draker, G.C.T., Supreme Grand Master 2004 to 2006 introduced the Supreme Grand Master's Award during his term of office.

The following are excerpts which detail this award: Supreme Grand Master's Address 2005 As I stated in my Address last year I have proposed to award any Sir Knight who brings at least five new members, being the first line signer, with new members completing all Orders, a distinctive pocket jewel.

Supreme Grand Master's Address 2006 The "Supreme Grand Master's Award" is developing slowly with one award to be presented. The first recipient is Sir Knight Stuart Crocket of Mount Calvary Preceptory No. 12 in Barrie, Ontario who has brought in six (6) new members to date. There are a number of members getting close to earning this award. Membership is the 'life-blood' of every organization whether it is to seek new members, retain existing membership or the reinstatement of demitted / suspended members, and I ask for your participation. The Membership Committee under the Chairmanship of R.Em.Kt. Dr. Larry Moss has put a package together to assist all Preceptories in the endeavour. As stated in my initial address, I proposed to award to any Sir Knight who brings at least five (5) new members, being the first line signer, with new members completing all Orders, will be awarded this pocket Jewel.

Statute **R6.11.1**:- Every Sir Knight, may wear on his uniform, a pocket jewel of the "Supreme Grand Master's Award" when qualified by being the first line signatory of five new Sir Knights having received the Order of Consecration. Application for jewels to be made by the Preceptory Registrars to the Grand Chancellor, on the prescribed form.

Brother Knights who are "first line sponsors" for 5 or more candidates, who receive all the Orders, are eligible for this beautiful Breast Jewel Award.

Registrars, please supply, to the Grand Chancery, a list of candidates, complete with their date of consecration, since 2005, for whom your members have been "first line sponsors". Those qualified will then be issued this Award.

## From the GRAND CHANCELLOR

I was pleased to be able to accompany our Supreme Grand Master on a portion of his Western Official Visit Tour last Fall. Meeting the Fratres in their home Preceptories was most pleasurable. Having the opportunity to meet many hard-working and dedicated Registrars, getting to know them in person and discussing our mutual concerns was invaluable. I hope for both of us. My wife, Susan and I will treasure this experience. The warmth of the Knights and Ladies, their kindnesses and the opportunity to experience the Canadian West from ground level was outstanding. Our Canada has the most impressive and beautiful scenery, everywhere, from coast to coast. Wow!

Moving forward into 2012, I look forward to receiving all the Annual Returns, Fees and various other reports on a more timely basis this year. Our Website is being completely re-newed by our Webmaster, V.Em.Kt. Maurice Hebert, and will soon be live. Check it out. Preparations for the 129th Annual Assembly in Toronto are well under way. It is now time for you to begin making your plans to attend. Please see below the available airline discounts arranged by the Chancery. Please assist the host committee by sending your Registration in as early as possible.

Yours in the Bonds of the Order,
